

PhysioNeeds East Leake is an expanding practice who is looking for a new physiotherapist to join our team. We are a team of experienced musculoskeletal physiotherapists with an excellent reputation for delivering first-class care.

We are looking for a physiotherapist who will assess and treat patients with a variety of neuromusculoskeletal conditions. They will have a diverse caseload including post-operative orthopaedic patients, patients with chronic pain, and those with sporting injuries. The successful candidate will be supported with regular clinical supervision through the local appraisal process.

We are looking for someone to work part-time hours, however the post holder needs to be willing to work late evenings. We see this role as either a permanent member of our team or someone working on a self-employed associated contract basis. Starting salary/self-employment percentage is dependent on experience.

Essential requirements:

- BSc Physiotherapy
- Enhanced DBS check
- HCPC and CSP registered
- Have the right to work in the UK

Desirable requirements:

- At least one year post graduate experience
- Acupuncture

PhysioNeeds East Leake is an equal opportunity employer, and all recruitment is done in line with safe recruitment practices.

If you are interested in this role and meet the essential requirements of the role, please send your CV and brief covering letter to Lindsey Maggs, Practice Manager via email: PracticeManager@physioneedseastleake.co.uk.
